

Information to Business Customer “LEGAL PERSON, BODY or ASSOCIATION” (Single entity or Holding Company and Affiliates) provided by TIM pursuant to the laws regarding the protection of Personal Data

Dear Customer,

in pursuance to laws and regulation on the protection of personal data and with particular reference to the provisions on electronic communications set forth in Legislative Decree 196/2003 (so-called Personal Data Protection Code), Telecom Italia S.p.A., hereinafter as “TIM”, herewith provides you with the information regarding the processing of your data and, where you act as representative, that of your affiliate companies in the name and on behalf you are acting.

1) Purpose of the processing and storage of data

Data, including those relating to telephone and/or electronic communications traffic (so-called “traffic data”), that you have provided and/or which we have acquired through third parties also during the term of the contract, shall be processed by TIM for the provision of electronic communication services and any other service requested, as well as for the related assistance, billing, management of possible complaints and disputes, management of delayed or default in payments, delinquency and fraud prevention; for this last purpose, TIM may also consult the inter-operator database containing telephone company customers who are intentionally delinquent (S.I.Mo.I.Tel.), as well as to communicate in this database the personal data of its own delinquent customer only when such an action meets all the requirements set forth in the Decision n. 523 issued by Italian Data Protection Authority on October 8, 2015.

In addition, above mentioned data may be processed by TIM to exercise or defend any of its rights in court and, as well as to fulfill obligations under laws, regulations or EU legislation and provisions issued by Authorities or by other legitimized entities

The processing of data is necessary in order to achieve the above mentioned purposes; failure to provide such or data which is incomplete or inaccurate may result in the impossibility for TIM to activate or deliver the services requested.

Telephone traffic data and/or electronic communications traffic data shall be retained for: **a)** a period no longer than six (6) months as from the date of the communication for billing and/or for claim of payments purposes, subject to additional retention as may be specifically necessary on account of a claim also lodged with judicial authorities; **b)** the period specified in the possible contracts you signed for the purpose of the provision of value added services and for marketing electronic communications services; **c)** seventy-two (72) months as from the date of the communication for criminal purposes.

2) Additional purposes for personal data processing with the Customer's prior consent

In the event you have given your consent upon activation of the service requested or at a later stage, your data, including traffic data, and, where you act as representative, that of your affiliate companies may be processed by TIM, by automated means of contact (such as sms, mms, fax, calling systems, email and web applications), for the purposes of sending advertising materials, direct marketing, carrying out of market researches and business communication, with regard to the offer of TIM's products and services.

Moreover, in event you have given your consent, your individual and detailed data (including traffic data and internet browsing data) and, where you act as representative, that of your affiliate companies may be processed by TIM for profiling activities to identify, also by automated processing, your specific behaviours and consumption habits and those of your affiliate companies in order to improve services supplied, meet your needs and those of your affiliate companies and address the commercial proposals of interest. It remains still the possibility for TIM to process such data in aggregate form in compliance with the measures provided by Italian Data Protection Authority and under the specific exemption from the consent provided by the same Authority, for analysis and electronic processing (i.e. classification of customer base in homogeneous categories for levels of services, consumption, expenditure, etc..) in order to periodically monitor the development and the economic trend of activities of TIM, orient its industrial and business processes, improve services and pricing plans, design and perform the marketing communication campaigns. Furthermore, upon prior anonymization, the aforesaid data may be processed with the sole purpose of producing statistical analysis, without any direct effect on individual customers.

3) Additional purposes for data processing with the Customer's prior consent for receiving third party advertising from TIM

In event you have given your additional and specific consent upon activation of the service requested or at a later stage, your data, including traffic data, and, where you act as representative, that of your affiliate companies may be processed by TIM to communicate and/or send, by automatic means of contact (such as sms, mms, fax, calling systems, email and web applications), third party advertising material and commercial information.

4) Withdrawal of consent

The providing of data and consent to use it for purposes referred to previous points **2)** and **3)** is not compulsory, but it can help us to improve our products and services. Anyway you may verify and withdraw your consent for such purposes at any time by contacting free-of-charge the phone numbers 191 or 800.191.101. Following your refusal or withdrawal of such consent, TIM shall process your data and, where you act as representative, that of your affiliate companies strictly for the purposes described previously in point **1)**.

5) Procedures and logic applied to data processing

The processing of data shall be carried out manually and/or by electronic or automated means, on the basis of logic of organization and processing of your data, including traffic data, and, where you act as representative, that of your affiliate companies relating to the purposes described above, and in any event, in order to ensure the security and the confidentiality of the data and of the communications. In particular, data shall be processed by automated procedures: (i) to profile customer who have given consent to address the commercial proposals of interest; (ii) to make a decision about the provision or not of the products/services requested in order to prevent delayed or default in payments and frauds.

6) Controller, Data Protection Officer and Persons authorized to process personal data in TIM

The Controller of your data and, where you act as representative, that of your affiliate companies, is TIM S.p.A., with registered offices in via Gaetano Negri, n. 1 - 20123 Milan.
