Sparkle Opens a New PoP in Aqaba, Jordan

Located by the Red Sea, Aqaba aims to become a gravitational hub in the Middle-Eastern region

Rome, 6 June 2019

[Sparkle](#), the first international service provider in Italy and among the top ten global operators, announces the opening of a new Point of Presence (PoP) in Aqaba, Jordan, in cooperation with [Naitel](#), an integrated Jordan based operator with proprietary data centers and a nationwide network.

Located by the Red Sea, Aqaba has the potential to become a gravitational hub in the Middle Eastern region, leveraging on Naitel's open data center and on Sparkle's international state-of-the-art network and Tier 1 global IP backbone [Seabone](#), to deliver top performance connectivity and IP Transit to the Jordanian market as well as to neighboring countries.

"We are very proud of this new initiative that strengthens Sparkle's positioning in the Middle East" says Mario Di Mauro, CEO of Sparkle. "The new Aqaba PoP marks a further step towards the consolidation of our company as leading network provider also beyond the Mediterranean basin, providing its customers premium diversified connectivity solutions".
