“GOLDEN POWER” DECREE: TIM CONCURS

Rome, 02 November 2017

TIM announces that today it received notification of the measure with which the Presidency of the Council of Ministers exercises the special powers laid down in article 2 of the Golden Power Decree Law (special powers in the energy, transport and communication sectors) by imposing specific requirements and conditions.

TIM acknowledges that the measures involve development, investment and maintenance plans for its networks and plants in order to preserve their operation and integrity, as well obligation to notify all company actions that may have an impact on their security, availability and operation. TIM will communicate compliance with the requirements on an annual basis.

The measures adopted are in line with TIM's strategy, and with respect to these the company manifests its agreement and commitment, confirming the wish to continue to have an open and constructive dialogue with the government and sector authorities which will allow it to combine the interests of the country with those of business activity.
