### **Telecom Italia S.p.A. files application to cease to be a reporting issuer in Canada**

Rome, 12 September 2019

Telecom Italia S.p.A. (TLIT.MI) (“**TIM**”) has applied to the Ontario Securities Commission (the “**OSC**”) for an order that TIM has ceased to be a reporting issuer in Ontario, Alberta, British Columbia, Saskatchewan, Manitoba, Quebec, Nova Scotia and Newfoundland and Labrador, being the jurisdictions in Canada in which it is currently a reporting issuer. TIM became a reporting issuer in Canada since 1997 in connection with a public offering of TIM’s ADRs into Canada.

In the United States, following the delisting of TIM’s ordinary and savings share American Depositary Shares on the New York Stock Exchange in July 2019, TIM also filed a Form 15F with the U.S. Securities and Exchange Commission to apply for the deregistration of all classes of U.S. registered securities, including all registered debt securities issued by TI Capital S.A., a wholly owned subsidiary of TIM, guaranteed by TIM, and the termination of its reporting obligations under the U.S. Securities Exchange Act of 1934. The deregistration is expected to become effective on or around 7 October 2019.

If the OSC grants TIM’s request, TIM will no longer be a reporting issuer in any jurisdiction of Canada and will no longer be required to file financial statements and other continuous disclosure materials in Canada pursuant to applicable Canadian securities laws. However, TIM will continue to file all financial statements and other materials required to be filed in accordance with the applicable laws of Italy and the rules of the Borsa Italiana stock exchange, where TIM’s ordinary shares and savings shares are listed. Canadian resident securityholders will continue to have access to all financial statements and other documents required to be filed publicly by TIM, both in Italian and in English, on TIM’s website (<https://www.telecomitalia.com>) as well as the Italian regulated storage system 1Info ([www.1Info.it](http://www.1Info.it)).
