### **TELECOM ITALIA: IPAD2 WITH WI-FI AND DEDICATED DATA PLANS ARE AVAILABLE IN TIM STORES**

Rome, 31<sup>st</sup> August 2011

Telecom Italia informs that the Ipad2 Wi-Fi + 3G with dedicated data plans will be available in TIM shops in the next few weeks. The Ipad2 is Apple's new generation device enabling people to surf the net, read and send emails, share photos, watch videos, listen to music, have fun playing games, read ebooks and much more. The new iPad2 is an improved version of the previous one because it is thinner, lighter and faster, whilst maintaining the same 10 hour battery capacity.
