FRANCESCO FACCHINETTI NEW TESTIMONIAL OF WITHYOUWEDO, TIM CROWDFUNDING THAT TRANSFORMS DIGITAL IDEAS INTO REALITY

The WITHYOUWEDO free crowdfunding platform is available to entities, associations and citizens to encourage the development, experimentation and adoption of digital tools because #ilfuturoèditutti" (The future belongs to everyone)

Milan, 18 June 2015

Today at EXPO, at the TIM Energy Day, the second campaign was launched of "WITHYOUWEDO", crowdfunding platform that TIM offers to the community to fund online innovative educational projects in education, digital culture, social innovation and environmental protection.

New testimonial will be Francesco Facchinetti, who with [an entertaining video](#) will promote uploading projects on the platform thus providing the opportunity to make talent ideas concrete in the digital context. Among those who will back a project with at least 5 Euro until November 30, three lucky donors will be drawn to have a memorable experience at the home of Francesco Facchinetti.

With WITHYOUWEDO, the initiative that forms part of the Corporate Social Responsibility activities #ilfuturoèditutti, TIM confirms its commitment to supporting initiatives aimed at generating economic value by creating social value.
