

Fulvio Conti

**Position:** Chairman of the Board of Directors and Chairmen of the Strategic Committee

Since May 2018 he is Chairman of Telecom Italia.

A graduate of La Sapienza University of Rome with a degree in Economics, he is currently sole Director of FAS Partners S.r.l., a financial strategic investor and advisor.

He is promoter and board director of the Fondo Efficienza Energetica SGR S.p.A., and serves as Chairman of SGI (Società Gasdotti Italiani). He has been Chairman of Innova Italy.1, a SPAC listed company until the merger with Fine Foods & Pharmaceuticals N.T.M, where he is now member of the Board of Directors.

From 2014 he is Senior Advisor of the investment fund MIRA (Macquarie Infrastructure and Real Assets), Europe Ltd.

He was Chief Executive Officer and General Manager of Enel from 2005 to 2014.

He joined Enel in 1999 as Chief Financial Officer and led the most important financial transactions of the Group in the recent years, such as the IPO of Enel, Terna and Enel Green Power, and Enel 2 and Enel 3 Global Offerings. As CEO he led Enel's international expansion. He finalized the successful takeovers of Endesa SA, the leading power company in Iberia and South America, of the genco OGK-5, the first company's acquisition made in Russia from a foreign group, and of Slovenské elektrárne, the Slovak power utility. He also finalized the formation and further listing of Enel Green Power.

He held the position of President of Eurelectric in the years 2011 - 2013.

He has broad international experience having worked in several industries for major international companies in Belgium, United Kingdom and USA.

He started his career in 1969 joining Mobil Oil. In 1989 he was appointed Financial Director at Mobil Oil UK, in London, after holding different positions in oil, chemical and plastic sectors.

In 1991 he covered the position of Chief of Administration, Finance and Control of Campbell's in London and Brussels.

In the same year, he moved to Montecatini, as Chief Financial Officer and in 1993 he was promoted to the role of Finance Director of the Holding Montedison-Compart, where he actively participated to the plan of restructuring Ferruzzi Group.

In 1996 he was General Manager and Chief Financial Officer of Ferrovie dello Stato, with important responsibilities in subsidiaries of the Group such as Metropolis (Real Estate) and Grandi Stazioni.

In 1997 he was appointed Vice-President of Eurofima.

In 1998 he joined Telecom Italia S.p.A. as General Manager and board director in TIM, Finsiel, Sirti, Italtel, Meie, STET International and others subsidiaries. He has also been Group Chief Financial Officer.

He sits in the boards of directors of the Italian Technology Institute, AON Plc UK and USA, Unidad Editorial Spain, RBC PJSC Russia.

He also served as member of the board of directors of Barclays, RCS Media Group and the Academy of Santa Cecilia. He was deputy chairman of Confindustria overseeing the Economic Research Department between 2012 and 2014. He was a lecturer of Corporate Finance at the MBA, School of Economics of the LUISS University, Rome.

In 2007 he was awarded with the Doctor Honoris Causa degree in Electrical Engineering, from Genoa University.

In 2009 he was appointed "Cavaliere del Lavoro" of the Italian Republic and "Officier de la Légion d'Honneur" of the French Republic.
